

Company Profile Dubai Science Park

Founded in 2005, Dubai Science Park (DSP) is a vibrant, holistic, science-focused community, dedicated to supporting entrepreneurs, SMEs and MNEs. Since its inception, the community has grown to more than 350 companies, employing over 3,600 professionals in the sciences, energy and environmental sectors.

Designed specifically for the needs of businesses and professionals who work in sciences, DSP fosters an environment that supports scientific research, creativity and innovation. By providing ample office and laboratory space, a robust infrastructure and a vibrant community for residents, DSP ensures a supportive eco-system for businesses and professionals to flourish.

Dubai Science Park aims to play a significant role by facilitating a more sustainable and self-sufficient future that maximises the use of indigenous resources and talent. DSP will achieve this by supporting innovation in the sciences by fostering growth and change in the areas of human science, plant science, material science, environmental science and energy science.
